Welcome to the Troy Youth Soccer League

Welcome to the Troy Youth Soccer League and to the world of soccer, a universal sport. People in every country of the world play it. You and your child are joining over 1,200,000 youth soccer players in the USYS (United States Youth Soccer). Go anywhere in the world and you will find someone playing soccer. You can become a part of the local action.

Becoming involved in a new activity can be confusing. At the request of parents and coaches, TYSL has put together this brief explanation of the game which is designed to assist new players and their families with their first season with the Troy Youth Soccer League. It also includes some helpful information for both beginners and returning players with respect to the game of soccer, rules and regulations and additional league operating procedures. If at any time you have questions, concerns, or suggestions please feel free to contact the TYSL office or direct your correspondence to the appropriate board member via our website.

Yours in Soccer,

The TYSL Board of Directors

"In a 90 minute soccer game, a player will run anywhere from 150 to 200 sprints. In that same 90 minutes, he/she will run four to six miles. He/she will also tackle opponents an average of 45 times and will have to make more than 200 decisions. During those 90 minutes of play, he/she will be standing still for only about 50 seconds. All the time he/she will be having fun. I challenge you to find another PT program that can do all that."

Lt. Col. (Ret.) Bill Charlton, former U.S. Army soccer coach.

SOCCER: THE SPORT – The purpose is to score goals.

How: Two teams face each other and try to put the ball into their opponent's net.

Where: The game is played on a level field similar to a football field, with goals at each end.

Below are the specific dimensions for a regulation-size 11 vs. 11 soccer field:

TYSL field dimensions and markings are as follows.

Game	Grade	Field Dimensions	Penalty Area	Goal Size	Center Circle	PK Mark
5v5	K thru 2nd	25-35 x 35-45 yd	10-yd across	6 x 12 ft	8 yd	8 yd
6v6	3rd & 4th	40-45 x 50-60 yd	10 x 24 yd	6 x 12 ft	8 yd	8 yd
8v8	5th & 6th	45-50 x 75-80 yd	14 x 35 yd	7 x 21 ft	8 yd	12 yd
11v11	7th & Up	58-70 x 94-120 yd	18 x 44 yd	8 x 24 ft	10 yd	12 yd

Equipment

Soccer is a simple sport. Little special equipment is needed. A ball and open space to play are the only essentials. Soccer shoes with molded rubber cleats or turf shoes and protective shin guards are required in the Troy Youth Soccer League, both at practices and games. Additionally, the official TYSL uniform is required for all game participation.

The Team

Each team is comprised of:

Goalkeeper: (Goalie or Keeper) He/she is unique in that this player may use his/her hands to defend the goal area and to stop the other team from scoring.

Defenders: Their primary role is to close down the space and the attack of the opposing team. Their secondary role is to take the ball away and start the attack in their team's favor.

Midfielders: (Half-backs): Play the most complete game in that they must be offensive and defensive players at all times. The midfield (middle ground) is where most attacks begin.

Forwards: They finish (score) in the attack. They must be willing to come back and aid at midfield to start an attack.

All players must develop offensive and defensive skills and every player has the potential to be a scorer. There is no such thing as a fixed space or position in soccer. Players may interchange positions according to the flow of the game.

Officials

An official's role is to enforce the Laws of the Game.

Referee (1) Certified

- ◆ Responsible for acting as timekeeper
- ◆ Keeping record of the game
- ◆ Enforcing laws of the game
- ◆ Stopping, restarting game
- ◆ Cautioning or banishing offenders
- ◆ Ending the game

Assistant Referees (2) Certified

- ◆ Responsible for indicating the ball is out of play and which team has the throw-in.
- ◆ Assist referee as requested to enforce the laws of the game.
- ◆ Raising their flags to indicate any infringement.

Referees are paid by the Troy Youth Soccer League to officiate. They have all received many hours of training and testing to earn their certifications, retesting every year, and they, not coaches or parents, are in charge of the game.

Please note that many of the laws of soccer begin with the phrase "*in the opinion of the referee...*" and he or she calls the game according to his/her opinion of what is occurring on the field.

PLAYING THE GAME

Two teams face each other on a field of play that is equally divided. In standard play, the time is divided into two equal halves.

A player and team control a ball by using six basic skills: Kicking, heading, thigh trap, chest trap, passing and dribbling.

Kickoff: Officially begins the game, or each half, also restarts a game after either team scores a goal. A coin toss decides who kicks off the first half of the game and who defends which goal. The ball must roll forward to start the game.

In Play: The action is continuous until a goal is scored, an infraction (foul) occurs, the ball goes out of bounds or an injury.

To restart play:

- ◆ A **throw-in** is awarded to the team who did not touch the ball last before it goes out of bounds on the long sides of the field.
- ◆ A **goal kick** is awarded to the defense if the opposing team's offense touched the ball last before it goes out of bounds on the goal boundaries.
- ◆ A **corner kick** is awarded when the defense touches the ball last before it goes out of bounds on their goal boundaries.

Infractions: When a foul occurs the referee will stop the play and award the ball to the team that did not commit the foul.

The referee will end a game when an eight (8)-goal difference in game score occurs.

KNOW YOUR SOCCER RULES

Corner Kick: The ball must be inside or on the corner arc before a corner kick is taken. All opponents must be at least 10 yards from the ball when a corner kick is taken. A flag is placed at each corner of the field. It must be at least 5 feet high and have a non-pointed top.

Goal Kick: The ball is not in play from a goal kick until the ball has passed outside the penalty area. When a goal kick is being taken, an attacker may not enter the penalty area until the ball has passed outside the penalty area.

Penalty Kick: If a defender moves into the penalty area before the ball is kicked and a goal is not scored, the penalty kick is taken again and the player is cautioned. If an attacker moves into the penalty area before the ball is kicked and a goal is not scored, the penalty kick is not taken again and the player is cautioned. If both a defender and an attacker enter the penalty area before the ball is kicked, the kick must be taken again and both players are cautioned. You cannot play the ball backwards on a penalty kick.

Throw-in: The whole ball must have passed over the touchline before the ball is out of play for a throw-in. When a throw-in is taken, the thrower must face the field of play and part of each foot must be either on the touchline or on the ground outside the touchline.

Did you know?

- ◆ You cannot score a goal directly from a throw-in.
- ◆ A player should not be penalized if the ball *incidentally* strikes him on the arm.

Indirect Free Kick: Dangerous play or obstruction is penalized by an indirect free kick.

Offside: You are in an offside position if you are nearer your opponent's goal line than the ball, unless you are in your own half of the field, or you are not nearer the goal line than at least two opponents. (One may be the goalkeeper).

- You cannot be offside from a **throw-in, goal kick or corner kick**.
- You cannot be offside if you are in your own half of the field.
- A referee need not penalize a player for being in an offside position unless this player is interfering with the play, or an opponent is trying to gain an advantage by being in an offside position.
- A player, who is even with the second last opponent, or with the last two opponents, is not in an offside position.
- Assistant Referees are appointed to assist the referee.

FOUL PLAY

- A player is cautioned if he/she is guilty of showing dissent, persistent fouling, entering, reentering or leaving the field without permission or unsporting behavior. A player is sent off if he/she uses foul or abusive language, is guilty of violent conduct, or continues to break the laws after he/she has been cautioned.
- A direct free kick is awarded against a player who trips, kicks or jumps at an opponent.
- A direct free kick is awarded against a player who strikes or attempts to strike, holds or pushes an opponent. A direct free kick is awarded against a player who deliberately handles the ball.
- Any penalty foul against the defending team in the penalty area results in a penalty kick. The lines are part of the penalty area.

It is not the responsibility of the referee to blow the whistle for every infraction or foul but only those which result in an advantage for the team or player at fault.

	THE FAIR PLAY CODE:
	<u>R</u> espect your opponents.
	<u>U</u> nderstand the laws of the game.
	<u>L</u> earn to respect the referee's decision without question.
	<u>E</u> ncourage your teammates.
	<u>S</u> how fair play at all times.

GUIDELINES FOR SOCCER PARENTS:

The overall purpose is to enjoy the game and the opportunity to be with your child as he/she learns and participates in the game. Your positive support and enthusiasm is always an asset to your child and his/her team.

1. In competition, someone always loses. If you win, do it gracefully, not boastfully. If you lose, do not allow your child to become negative.
2. Too much competition, too soon, can slow down a child's progress in skill development. Allow your child to be a child and enjoy the game without pressure from you to perform.
3. Make fun and technical development your first priority.
4. Be a good listener. Make your child feel important and let him/her know he/she is contributing to a team effort.
5. Avoid material rewards. Build an attitude of “the rewards lie in the fun of being able to play.”
6. Be available to kick the ball around with your child when you are invited to do so.
7. It is your and the coach's responsibility to maintain order on the sideline.
 - a. If your behavior is loud, rude, or detrimental to the team, you will be asked to leave.
 - b. If you choose not to behave, the referee may choose to end the game, regardless of the time remaining.
 - c. Please remember your behavior can have a positive or negative effect on the children as well as the outcome of the game.
8. Your child's coach will need all the support and help you can offer.
 - a. Please make yourself available and volunteer any time you can spare.
 - b. Stay and watch practices and lend your support in a positive manner.
9. Be prompt in delivering your child to practice and games in picking him/her up.
10. Disagreements with the coach or officials do not belong on the public soccer field.
 - a. Questions, input, and positive suggestions should be voiced to the coach and/or league in an adult atmosphere.
 - b. The youth player should never be present when any discussion takes place.
11. Please refer to official laws of the game and the **Troy Youth Soccer League Operating Rules** for the TYSL rules of play, disciplinary rules, guidelines, etc. Official laws are available through bookstores, libraries, referee clinics and the internet.

Please understand that *rescheduling should be avoided at all costs*, as every rescheduled game will force a change of plan to MANY MORE people: the entire opposing team, part of requesting team, and assigned referees. 6. If it appears that play will be unable to resume in time to play at least half a game, the referee will call the game. For example, for a game with 30 minute halves, play is stopped at 20 minutes and it appears that it will not be able to play at least more 10 minutes before the start of the next scheduled game and/or onset of dusk.
7. If the game is called before halftime TYSL will allow coaches to request the game to be rescheduled for a full game (the called game's score shall be nullified). In such case, it will be the responsibility of the coaches to initiate the rescheduling process per TYSL's Guidelines for Game Rescheduling Requests (http://www.tysl.org/uploads1/TYSL_Recheduling_Guidelines.pdf).
8. If the game is called at or after half time, the game/score will stand as a game played.

V. MISCELLANEOUS

- A. If occasions arise that are not fully covered by these rules, the Board of Directors has absolute power to decide such cases.
- B. In case of dispute between teams, players and/or officials, legal proceedings cannot be taken without the consent of the league.

VI. GUIDELINES

- A. The Troy Youth Soccer League, Inc. was formed to provide intra-city play for youngsters as extra recreation for school age youth. Any time you can donate and devote time to the league, coaches and parents are very much appreciated needed.
- B. All representatives of the league should keep in mind that youth soccer is a service to the community. It can only prosper if we keep the welfare of the boys and girls in mind first.
- C. A coach is expected to teach the boys and girls the rules and regulations of soccer and good sportsmanship. Swearing is strictly not allowed. Fair discipline is important to a growing boy or girl. Disputes on the field are to be discouraged.
- D. Coaches should stress that ungentlemanly/unladylike conduct will not be tolerated.
- E. Never belittle a boy or girl for not being a good player. He/she will lose confidence in himself/herself if they are not able to compete with the rest of the boys/girls on the team.
- F. Leading a team to victory should not be foremost in the mind of a coach if it is done in such a manner that denies any boy/girl the right to play. This league will not sanction this type of conduct.
- G. All persons must restrain from drinking alcoholic beverages while being responsible for boys/girls during coaching hours or league games. Remember, no alcoholic beverages are allowed at the field per City of Troy ordinance.
- H. A referee is a vital person to the league, therefore, should be treated with respect. He/she whistles a better game if he/she is not under pressure. Honor his/her decision and teach your team to do likewise. Harassment by players, coaches and spectators is strongly discouraged. Verbal abuse of referees will not be tolerated.
- I. If parents offer their help, accept it and make use of it. Encourage your parent's participation.
- J. Coaches establish rules governing practice and individual team policy, but not to conflict with league rules.
- K. All coaches and managers must be at least 18 years of age.
- L. All teams shall send at least one (1) representative to the membership meetings.
- M. Coaches are not to leave players unattended after games and practices, but must make sure each child is picked up or has a ride. Coaches may assign or work this out with team parents. No child is to be left at a field by himself/herself.
- N. It is the coaches' responsibility to police area and to make sure all debris is properly disposed of.
- O. Teams and their spectators are to park only in the designated area.
- P. Every coach is responsible for the action of his/her players and spectators, and is required to take all precautions to prevent spectators and players from threatening or assaulting referees or each other, during or after conclusion of the game.

TYSL REGISTRATION AND TEAM FORMATION

Recreational or “House” Teams: All teams from U6 (kindergarten grade) through U19 (high school), boys, girls and coed, are formed on the basis of school grade and where the player resides and not on the basis of skill, experience, or ability. Participation is limited to City of Troy residents and children who are enrolled in the Troy School District's “School of Choice” program. Proof of residency or Troy School attendance and birth certificate or passport is required for first time players.

When you first register your child to play in the TYSL, you were asked to identify exactly where you live on a map of the City of Troy, Section (square mile) and Quadrant (1/4 square mile). This section number, 1 – 36, and quadrant letter, A, B, C, or D, are the code that determines your child's team assignment. It is your responsibility to notify the TYSL of change of address and/or phone number in writing as soon as possible.

TYSL REGISTRATION AND TEAM FORMATION (cont.)

1. If it is necessary for sections to be split to form approximately equal size teams, the sections will be split by quadrants, but quadrants will not be split. (We do not form teams by school boundaries or subdivisions, but by sections and quadrants, which are clearly lined on maps of Troy, which are available from the City Treasurer's office).
2. New teams are formed every summer, during July, based on the players who are registered for the Fall season.
3. Teams are formed to play together for the fall and spring seasons, and cease to exist at the end of the spring season every year. If a player is assigned to a fall team, which is the teams he/she will play on during the spring. The only exceptions are:
 - a. Fall team is disbanded
 - b. Fall team is filled for spring before a returning fall player registers late for spring season.
4. Late registrants will be added to newly formed or existing teams on a "space available" basis.
5. All players will be assigned to teams based on their school grade, not upon size, or physical ability. No exceptions can be made.
6. Coaches are assigned by the Director of Coaching, generally from among team parents who volunteer to coach. In the absence of parental volunteers, we may assign former TYSL players (also volunteers) to these positions. No changes from one team to the other will be made because of disagreements with volunteer coaches. Your options are "to play" or "not to play."
7. No team assignments can be changed for assistant coach participation.
8. Refunds must be requested before August 1 for the fall season, and before April 1 for the spring season. The only exceptions for this are medical, moving out of town, and high school varsity and junior varsity soccer participation.
9. The State of Michigan requires every sport participant to have a Heads Up Concussion form signed and on record at the TYSL office.
10. TYSL requires a signed Parents Code of Conduct every season.

- No Alcoholic beverages will be consumed or allowed near the playing field

TYSL ANSWERS YOUR QUESTIONS:

Q. How do we find out what team our child has been assigned to?

A. A coach will contact the players on his/her team about the second week of April (Spring) or second week of August (Fall). If you have not received a call by the middle of April or August, we will be able to give you the coach's name and phone if you call the TYSL office.

Q. Who are the coaches?

A. Your coach is a volunteer who is typically the parent of another player on your team. TYSL called to locate these coaches as soon as teams were formed. If there are not enough volunteers, an email /postcard explaining the situation is sent to all team parents. If asked about coaching, talk to us about it. TYSL provides coaching support and clinics for new coaches. Additionally, an experienced ex-coach or an older player can help you learn the ropes. Call the Director of Coaching to inquire about volunteering and assistance.

TYSL ANSWERS YOUR QUESTIONS: (CONT.)

Q. Where does our team practice and when?

A. Your coach will decide where and what time for practice. Generally coaches chose a park or school grounds in your team area, or at a team member's home with a large yard. **ALL TEAMS CANNOT PRACTICE ON PLAYING FIELDS.** Most coaches have full time jobs, so practices are usually after 5:30 or on weekends.

Q. When and where are our games?

A. Play begins and ends when the city of Troy allows TYSL to utilize the soccer fields in the city's parks.

- Spring: Games will typically begin in late-April or early-May. Final games are typically finished by mid-June.
- Fall: Games begin after Labor Day and end the first weekend in November.
- Games are played on Saturdays, Sunday afternoons, weekday evenings.

Your coach will prepare a game schedule from the TYSL master schedule to be handed out. The games are on different fields on the TYSL field map. Some fields are larger than other, and teams are assigned to the appropriate size of fields for their age group.

Q. What about uniforms, etc.?

A. Uniforms (1 blue pair of short, 2 jerseys and a pair of socks) will need to be purchased by all players at the soccer office. Soccer shoes and shin guards are required at all practices and games (available at local soccer, sporting goods, and shoe stores). Each player should have his or her own ball for practice (size #4 for players under 12).

Q. Who are the TYSL Board of Directors and what are the responsibilities?

A. TYSL Board members are volunteers, parents and coaches. Troy Youth Soccer League is a registered Michigan nonprofit corporation affiliated with the Michigan State Youth Soccer Association, the United State Youth Soccer and the Federation of International Football Association (FIFA) and is governed by an unpaid Board of Directors elected by the voting members of the Troy Youth Soccer League, your coaches. The positions are:

TYSL ANSWERS YOUR QUESTIONS: (CONT.)

Q. What things can TYSL not assist you with?

A. The following are examples of items TYSL cannot help you with:

- We cannot change teams
 1. Because you or your child does not get along with the coach or other players.
 2. Because your child's best friend is on another team.
 3. Because it is too far to drive for practices.
 4. Because he/she is bigger, smaller, or in a different grade or school than the other kids on the team.
 5. Because the team is not the same as last spring or what you expected it to be.
- Players will only be moved at the discretion of the board in order to arrange for a parent to coach a team.

The following are examples of items TYSL cannot help you with:

- We cannot tell you when practices or games are. Please ask your coach.
- We cannot guarantee placement with the same coach each season even though players register through the coach.
- We are not medical advisors, social workers, child psychologists, but simply volunteers elected by your coaches to do these jobs.
- We will not do for you something that we are not prepared to do for every person, parent and player in the league. If you have questions concerning policy, which are not stated here, please address your inquiry to the TYSL Registration Director.

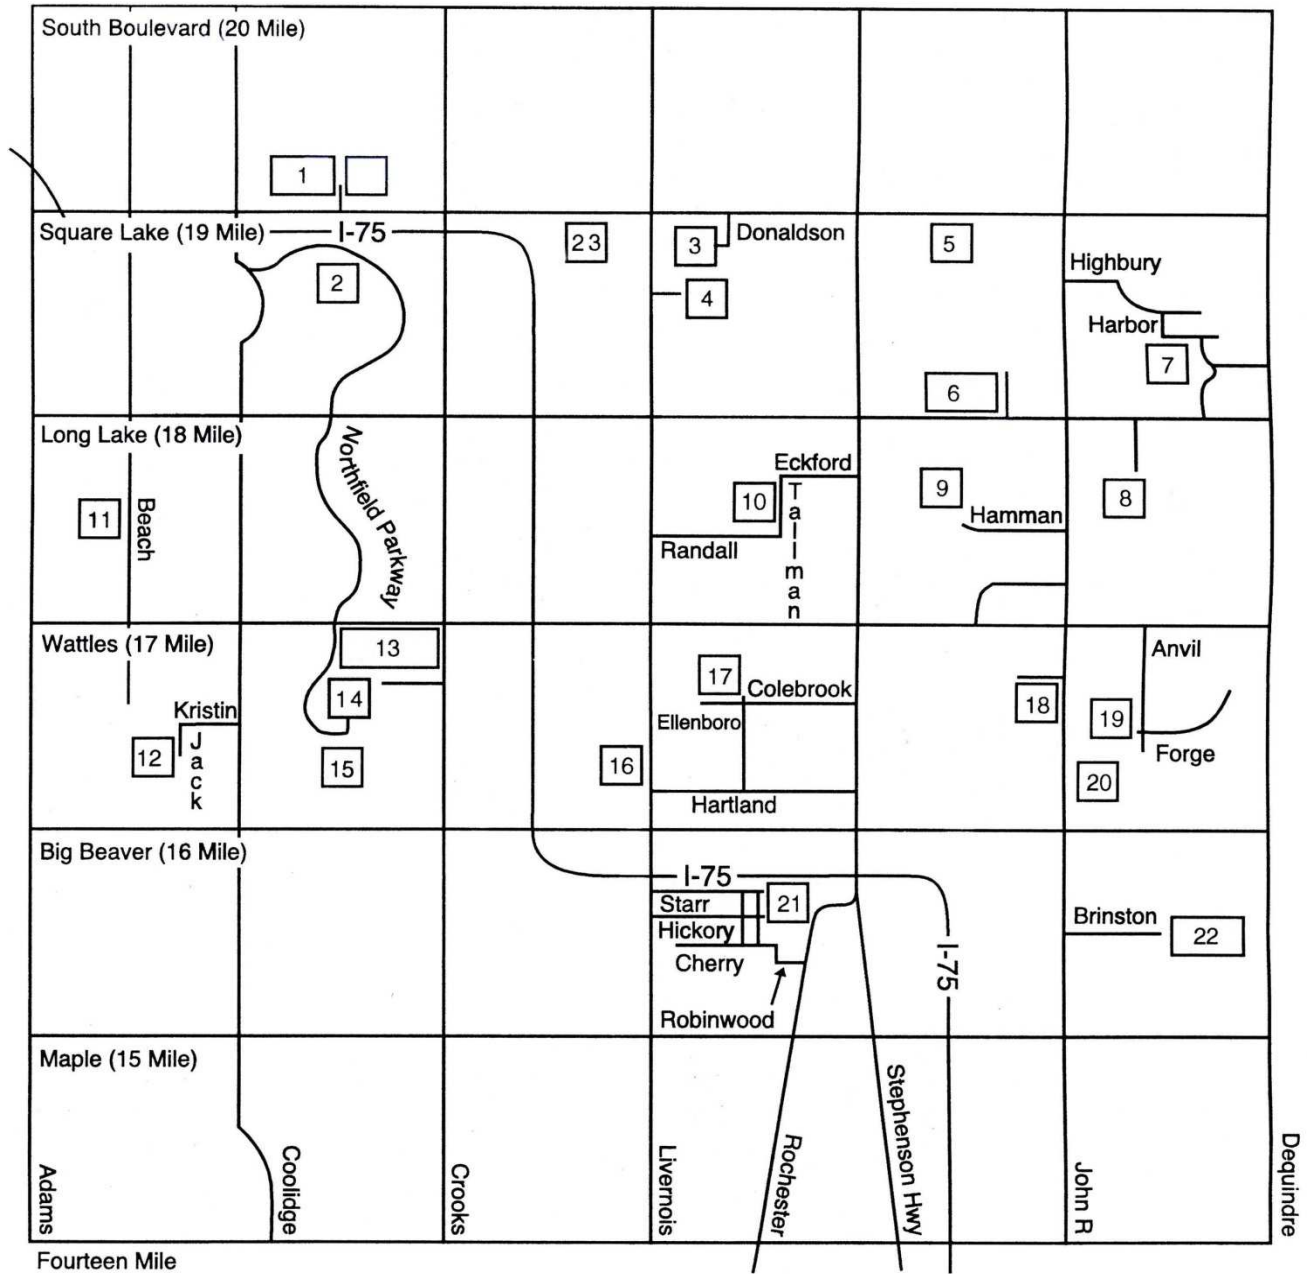

You may call the TYSL Office (248-524-0170) anytime, day or night, and leave a message on our voice mail, stating clearly your name, phone number and briefly the nature of the call, and we will try to return your call within two days.

Office hours are limited and are always posted on the door, on the website www.tysl.org and on our voice mail message.

If you wish to file a complaint, fully detail your problem and sign it. It will be referred to the appropriate board member for action. Please write to:
