

TYSL Guidelines for Game Rescheduling Requests

A weeknight standardized schedule is posted before the season to show when each age group will play during the week. Weekend schedule will likely vary week-to-week. Teams will play 1 game the same weeknight every week (in Fall, when daylight permits), and 1 game every weekend. There will be exceptions for age groups with odd-number teams.

There is NO carryover of standardized schedule from season to season.

Game rescheduling requests will be CONSIDERED for the following reasons ONLY:

- [a] a DIRECT conflict for a coach coaching multiple teams
- [b] school/religious/scout activities that cause the team to not have 5/6/8/11 players for a game.

A Coach's personal conflict is NOT a basis for requesting rescheduling. For these situations please ask a parent to sub-coach.

For a variety of reasons, this season's schedule is EXTREMELY tight. There is a next-to-zero probability that games canceled as a result of referee no-show or poor weather/field conditions will get rescheduled. Other than requests for reasons [a] or [b] above, there is ***NO guarantee that TYSL will accommodate the rescheduling request.*** For referee no-show please arrange to have 1 or 2 parents to officiate the game.

Please note the instructions below when making a game rescheduling request.

- 1) All requests, questions, comments or concerns please e-mail tyslgamecheduling@gmail.com. ***A request must contain and comply with the following 2) – 6) in order to be considered.***
- 2) Requesting team/age, and game#/date/time, of the game to be rescheduled "from."
- 3) Requesting reschedule-"to" date/time/field, which can ***only be open slots in the Master Schedule*** at the time of submission. Multiple options are encouraged, as "first choice" may have already been taken before the Master Schedule is updated.
- 4) Reason for the request – [a] or [b] above, and if [b] provide detailed info.
- 5) With the ***opposing coach's consenting e-mail attached***, and with the ***opposing coach CC'd*** on the requesting e-mail.
- 6) ***All above completed at least 1 week in advance*** of both "from" and "to" dates.
- 7) Games that TYSL are able to reschedule will show up in the updated Master Schedule. ***NO guarantee on confirmation or denial e-mail.***
- 8) After the season starts, ***Master Team Schedule will NOT be updated.*** The "Field" master schedule will be updated on an as-needed basis.
- 9) Coaches cannot cancel a game under any circumstances! The only exception is when there is ***a tornado or thunderstorm warning at the time of game in Troy.***
- 10) Do not reschedule games between the coaches or with the referee – they WILL be treated as a forfeit for both teams. Questions, comments or concerns please email tyslgamecheduling@gmail.com.
